LOCAL PRESENTER/PURCHASER AGREES TO FURNISH AT OWN EXPENSE:

STAGE REQUIREMENTS: Standard concert set-up. Stage should be swept clean and cleared of all equipment, debris, etc., prior to ARTIST'S arrival.

- **Projection Screen:** ARTIST highly recommends a video screen or light colored cyclorama (cyc) that images can be projected onto.
 - Where possible, the screen should be hung or free standing upstage. If the location of the video screen is not upstage, ARTIST may be able to work with it. Please discuss placement of the video screen upon initial contact.
 - Video screen must be large enough to be visible from the entire audience.
- **Video Projection:** ARTIST carries a video projector that can be used if one is not available at the venue.
 - **NOTE:** ARTIST can perform a show without video projection if it is not available.

PIANO REQUIREMENTS: One nine-foot (9') Yamaha concert grand piano is preferred, in excellent condition, to be tuned to "A-440" on the morning of performance and an adjustable piano bench. Although ARTIST is a Yamaha artist and a Yamaha is preferred, any other "excellent" grand piano 6' to 9' should be acceptable. Piano should be placed downstage center as per stage plot.

- An adjustable level piano bench is required.
- A warm-up piano is preferred in the dressing room (grand preferred but an upright is OK)
- If no warm-up piano is available in the dressing room, ARTIST requires access to the performance piano prior to doors opening for warm-up (see rehearsal requirements).

AUDIO REQUIREMENTS: ARTIST will not provide audio equipment. ARTIST will use "Venue" audio system, which should include appropriate and professional audio console, power amps, equalizers, speakers, and monitors for venue dimensions.

- One (1) speaking microphone (Wired or Wireless; SM58 or equivalent) on a stand is required.

LIGHTING REQUIREMENTS: Good concert lighting is required. Usually a general color stage wash with overhead and "front of house" electric suffices.

LOCAL CREW REQUIREMENTS: A “knowledgeable” venue representative should be available to open doors (usually the Venue Stage Manager). The time to have the theatre open should be discussed between the ARTIST or ARTIST’S representative and the venue representative upon initial contact.

- A Master Electrician (lighting board operator) should be there to make sure the lighting focus suffices and to operate the show.
- An Audio Engineer is required.
- A Follow Spot Operator if follow spot is available.

The dressing room should have access to a private bathroom (for ARTIST only) with hot and cold running water, adequately supplied with fresh soap and clean towels, tissue and paper towels.

HOSPITALITY: ARTIST would greatly appreciate bottled water. Note: ARTIST does not eat before performance, so please do not go to the expense of a meal or snacks. Please verify this with the ARTIST during the initial contact conversation.

RECEPTIONS: The ARTIST will be happy to attend receptions, however due to the rigorous tour schedule; sometimes the ARTIST may not be available. Please clear all receptions in advance with the representative of the tour upon initial contact. The ARTIST will ALWAYS try to accommodate.
